**UNFINISHED BUSINESS, NOTICE OF MOTIONS AND RESOLUTIONS
PLACED ON AGENDA BY MEMBERS OF COUNCIL**

- (a) Moved by Councillor N. DelBianco
Seconded by Councillor L. Turco
Whereas it is of utmost importance, as the City's economy continues to improve, to have the best possible connections to the rest of the world; and
Whereas these necessary "connections" include the ability for local residents and businesses to easily access reliable, affordable and convenient air travel connections to the City of Toronto and beyond; and
Whereas Sault Ste. Marie and area is currently served by only one regional air carrier (Air Canada Jazz) which makes daily scheduled flights to and from Toronto; and
Whereas it is becoming increasingly difficult for Sault Ste. Marie and area travellers to book convenient air travel to and from Toronto, not to even mention the very high cost of such travel; and
Whereas it does not appear that Air Canada is prepared to increase its daily passenger capacity to and from Sault Ste. Marie either by using larger aircraft or by increasing the number of flights;
Now therefore be it resolved that City Council urges senior officials of Air Canada to review the needs of Sault Ste. Marie's travelling public and determine how they can be better served, and
Further be it resolved that the City's Economic Development Corporation with the full support of the Chamber of Commerce, other local industry and business representatives and other Algoma District Municipalities be requested to vigorously pursue other air carriers who may now see Sault Ste. Marie and area as a good business opportunity for the establishment of a further scheduled service of regular air travel to and from major connections in Southern Ontario.
(Copies of this resolution to be sent to David Oraziotti, M.P.P. Sault Ste. Marie; Mike Brown, M.P.P. Algoma Manitoulin; Tony Martin, M.P. Sault Ste. Marie; Brent St. Denis, M.P. Algoma-Manitoulin-Kapuskasing; ADMA; FONOM and Sault Ste. Marie Chamber of Commerce.) CARRIED.

(b) Whereas the Algoma West Academy of Medicine has informed Council that the NPRI Program is in place only until March 31, 2006 and is currently under review by the Ministry of Health and Long Term Care and the Ontario Medical Association to evaluate the program and recommend whether or not it should be continued;

Now therefore be it resolved that Sault Ste. Marie City Council expresses its support for the continuation of this very important Program for Sault Ste. Marie and other communities in Northern Ontario; and
