The report of the Fire Chief was accepted by Council.

5. (n) Moved by Councillor S. Butland  
Seconded by Councillor P. Mick  
Whereas firefighters provide an invaluable service to the public and may risk their own personal safety in order to protect the lives of residents of the City of Sault Ste. Marie; and  
Whereas studies may have shown that firefighters suffer from an incidence of some cancers and other diseases that is significantly greater than the normal population, and that this may be due to firefighters' exposure to toxic chemicals and carcinogens during the course of fighting fires; and  
Whereas in response to these studies, the provinces of Manitoba, Alberta, Saskatchewan and Nova Scotia have amended their Workers Compensation legislation to include a presumption that, for identified types of cancers in firefighters, the disease is attributable to work as a firefighter; and  
Whereas the Fire Chief of the City of Sault Ste. Marie commends the Sault Ste. Marie Professional Firefighters Association for its efforts and wishes to demonstrate his support for a comprehensive review of Ontario's Workers' Compensation scheme as it specifically relates to firefighters;  
Now therefore be it resolved that Sault Ste. Marie City Council calls on the Ontario Provincial Government to review Ontario's Workplace Safety and Insurance Act in order to ensure that firefighters and their families receive fair and timely compensation for illness or disease that is attributable to their work as firefighters; and that this motion be forwarded to the Association of Municipalities of Ontario and Federation of Canadian Municipalities.
